## Ephesians 1:3-14

Blessed by the God and Father of our Lord Jesus Christ, who has blessed us in Christ with every spiritual blessing in the heavens, as he chose us in him, before the foundation of the world, to be holy and without blemish before him. In love he destined us for adoption to himself through Jesus Christ, in accord with the favor of his will, for the praise of the glory of his grace that he granted us in the beloved. In him we have redemption by his blood, the forgiveness of transgressions, in accord with the riches of his grace that he lavished upon us. In all wisdom and insight, he has made known to us the mystery of his will in accord with his favor that he set forth in him as a plan for the fullness of times, to sum up all things in Christ, in heaven and on earth. In him we were also chosen, destined in accord with the purpose of the One who accomplishes all things according to the intention of his will, so that we might exist for the praise of his glory, we who first hoped in Christ. In him you also, who have heard the word of truth, the gospel of your salvation, and have believed in him, were sealed with the promised holy Spirit, which is the first installment of our inheritance toward redemption as God's possession, to the praise of his glory.

#### **MESSAGE FROM MSGR. PILON:**

**I am planning to return to the Parish July 16. I will have completed the initial medical checkups by then. I am still dealing with a fractured clavicle and more importantly limited eyesight with only one eye working to some degree. My plan is to take about a month to see if the sight improves enough to be able to drive and do parish work. If not, I may have to go on disability and do some limited work in the Diocese.**

St. Priscilla group is not planning a bazaar this year.

## THE LITTLE GIRL AND THE PIANO

A little girl wanted to become a great pianist, but all she could play on the piano was the simple little tune, "Chopsticks." No matter how hard she tried, that was the best she could do. Her parents decided after some time to arrange for a great maestro to teach her to play properly. Of course, the little girl was delighted. When the little girl and her parents arrived at the maestro's mansion for the first lesson, they were escorted by the butler into the parlor, where they saw a beautiful concert grand piano. Immediately, the little girl dashed over to the piano and began playing "Chopsticks." Her embarrassed parents started across the room to tell her to stop, but as she played, the maestro entered the room and encouraged the little girl to continue. The maestro then took a seat on the piano bench next to the little girl, listening to her play. After a moment he began to play along with her, adding chords, runs, and arpeggios. The little girl continued to play "Chopsticks." The parents couldn't believe their ears. They were hearing a beautiful piano duet, played by their daughter and the maestro, and amazingly enough, the central theme of it was still "Chopsticks." At times you may feel like you're a nobody, that you will never accomplish great things. But think of that little girl. All she could play was "Chopsticks." Nobody wanted to hear "Chopsticks." It was an embarrassment to her parents and annoying to everyone else. Yet the maestro encouraged her to keep on playing. God knows what you can do. He created you with gifts and talents. Sure, compared to some people's abilities, your gifts and talents may seem like "Chopsticks"-- not very original and not very spectacular. But God says, "Keep on playing--and make some room on the piano bench for Me." God is able to take the little that we are able to do and turn it into something beautiful for Him.
