New Business:

Photo Directory to be put together for both St. Agnes/OLP churches. Pictures will be taken on Tuesday, May 5th in St. Agnes from 2pm-9pm by appointment. Pictures to be taken Wednesday, May 6th-Saturday May 9th at OLP.

Publicity: Conray will make announcements encouraging people to sign up and come out for the photo sessions.

Appointment Coordinator: There will be a Website for parishioners to select time slots that would work for them. Connie will check the Website and contact any members who have not signed up for a photo session.

Host Coordinator: Jessica and Sheila will welcome people and make sure they fill out the appropriate cards for names and current addresses to go with photos at St. Agnes.

Layout and Design Coordinator: Kristin has someone in mind to do this, we will have 5 activity pages to create pages of church events i.e. Winter Carnival with Bishop Folda, Christmas Program, Holy Eucharist and Confirmation.

Visit church directories.lifetouch.com to view available times.

New Secretary has started, Mercedes McKibben, M, W, F, 8:30-11:30.

Religious Ed;

We have three children receiving Holy Eucharist and Confirmation this spring. We will celebrate with a brunch on Sunday, March 29th.

Jessica would like to raise money for the Religious Ed account: one idea is to have a Friday or Saturday night babysitting with a "suggested donation" amount.

Christian Women:

Ecumenical Lenten Services will be held each Wednesday evening at area churches. St. Agnes will host Wednesday March 11th. 6:00 pm supper, 6:30 choir and 7:00 service. Collections from the Ecumenical service to go to the Food Pantry.

Old Business:

Furnace Replacement, Conray has been receiving bids to have the furnace replaced.

We will need to do some sort of fund raising as a parish to raise the amount that will be needed. Some ideas mentioned were a raffle (as we have done in the past), church bazaar, Spring Dinner.

Sheila mentioned to put together a raffle for the month of April and get a permit from the city. Conray second the motion..

Marilyn looked into getting a new wireless mic for Monsignor. This would be about \$500. However, he tried just letting the mic hang down and it now seems to be working just fine at this time. So we will just stay with the old style for now.

Year of the Family:

Monsignor put an informational poster upstairs in regards to Pope Francis' event in Philadelphia in September for anyone wishing to attend.

Next council meeting will be Sunday April 12th after Mass.
